## Apple Valley Hockey Camp

### ICE HOCKEY SKILLS

Coach John Gaffney  
Coach Robert Jackson

# Apple Valley Hockey Skills Camp

This clinic utilizes small area games which are designed to develop individual skills. These games promote creativity and allow players to safely experiment with different playing styles.

Small area games increase puck touches and requires players to work in tight situations while moving the puck quickly. This will develop a player's quick thinking skills, hockey sense, and is a more effective way of training a player at any level.

Goaltenders also benefit from small area games because they see more shots. The quick style of play also develops goaltenders' lateral movements and promotes effective use of angles.

## Why choose AP skills ?

- Coach Gaffney and Coach Jackson are not just figureheads. Your child will benefit from on ice instruction and officiating from both coaches.
- Location, location, location. The Smithfield Ice Rink is centrally located in Northern Rhode Island
- Players will learn the game from a coaching staff that has coached at all levels and will have a lot of fun.

## Skills players will develop:

- Puck Support
- Stickhandling
- Passing
- Shooting
- Skating
- Maneuvering
- Cycling
- Angling
- Defense
- Transitioning
- Quick Thinking
- Creativity
- Communication
- Team Skills

Most importantly, players will have fun!

# 2010 APPLE VALLEY HOCKEY SKILLS CAMP

*Mission statement: "Our hockey school focuses on complete player development. We do not keep track of wins or losses or player statistics (goals and assists). The most important aspect of our school is to become a better skater, a better passer, a better shooter and to develop hockey sense. We believe that your son or daughter will learn from our on ice experienced coaching staff and most importantly all players will HAVE FUN!"*
